STATEMENT:
Kelly Tshibaka is an America First candidate who will always represent the views and values of Alaskans in the U.S. Senate. She will stand up for the constitutional rights of all citizens and fight against federal government overreach that intends to turn Alaska into a national park for the rest of the country.

As she travels across the state, Alaskans are telling Tshibaka that “It’s time for a change,” which is the central theme of her campaign. She will fight for Alaska’s resource industries, which create thousands of jobs and give our children a future, yet are under assault by environmental radicals in the Biden administration and the Washington, D.C. insiders who enable them. Tshibaka will fight to revive the Alaska economy; reclaim our rights as parents, gun owners, and land owners; reform healthcare so it works for Alaskans; require equal, legal, and safe immigration; restore voting rights and integrity; and stand for the right to life for pre-born Americans.

Endorsed by President Donald Trump and the Alaska Republican Party, Kelly Tshibaka is the only choice for Alaskans who are tired of elitist politicians who cater to the D.C. insiders. When Kelly Tshibaka is in the Senate, we finally will have someone who gives voice to all those Alaskans who have felt forgotten, ignored, exploited or dishonored the past 21 years.
